JUDGE ROBINSON

UNITED STATES DISTRICT COURT FOR THE
SOUTHERN DISTRICT OF NEW YORK

J & J SPORTS PRODUCTIONS, INC., as
Broadcast Licensee of the **May 5, 2007**
DeLaHoya/Mayweather Program,

Plaintiff,

-against-

ANA LUCIA BAQUERO *et, al.*,
Defendants.

PLAINTIFF'S AFFIDAVIT

Civil Action No. 07-CV-11392-SCR-GAY
HON. STEPHEN C. ROBINSON

STATE OF CALIFORNIA }
 }ss.:
COUNTY OF SANTA CLARA}

JOSEPH GAGLIARDI, being duly sworn, deposes and states the following:

1. I am President of Plaintiff, J&J Sports Productions, Inc., and, as such, am fully familiar with the facts, circumstances and proceedings heretofore had herein.
2. I make this Affidavit in support of Plaintiff's request to recover statutory damages, including costs, attorney fees and interest in the within request for judgment by default.
3. Plaintiff, J&J Sports Productions, Inc., owns the rights for the commercial distribution of the DeLaHoya/Mayweather fight which was held on May 5, 2007. The licensing agreement is attached hereto as Exhibit "A". My company thereafter marketed the sub-licensing of the broadcast to commercial establishments in the State of New York for a fee.
4. Prior to the DeLaHoya/Mayweather, broadcast, J&J Sports Productions, Inc., hired Signal Auditing, Inc. to contract with independent auditors who were assigned to identify establishments that unlawfully exhibited our program.

5. To insure that only illegal locations were visited by the auditors, a list of authorized and legal locations who paid the required fee to broadcast the DeLaHoya/Mayweather fight which was held on May 5, 2007, was distributed to Signal Auditing, Inc., who provided same to all of their contracting auditors prior to visiting any unauthorized locations on May 5, 2007. This list is attached hereto as Exhibit "B".

6. Defendants ANA LUCIA BAQUERO and CARLOS EDUARDO ASITIMBAY, Individually and as officers, directors, shareholders and/or principals of EL TORERO REST., INC. d/b/a EL TORERO RESTAURANT a/k/a EL TORERO SPORTS BAR, and EL TORERO REST., INC. d/b/a EL TORERO RESTAURANT a/k/a EL TORERO SPORTS BAR, did not purchase the rights to exhibit the event from my company.

7. According to our files, Edgardo Rodriguez, one of the auditors, visited Defendant's establishment, El Torero located at 08 North Main St. Spring Valley, NY on May 5, 2007, at approx. 11:38 p.m., he entered and observed three (3) television set exhibiting a portion of the event to about 50 patrons in an establishment with an estimated capacity of 100. The auditor's affidavit attesting to these facts is attached as Exhibit "C". The auditor's affidavit attesting to these facts is attached hereto, as Exhibit "D".

8. Defendant's showing was not authorized by J&J Sports Productions, Inc., therefore, the said showing was in violation of the Piracy Statutes of the Federal Communications Act.

9. It is essential that I communicate to the Court that to the best of my knowledge this programming is not and cannot be "mistakenly or innocently intercepted." Some methods that a signal pirate can unlawfully intercept and broadcast such program illegally are as follows without limitation:

A. The use of a "black box" which is purchased for a fee and when installed on a cable TV line will allow for the descrambled reception of a pay-per-view broadcast, or

B. The purposeful misrepresentation of a commercial establishment as a residential property would allow the purchase of a pay-per-view broadcast for the event at the residential price of \$54.95, or

C. The use of a illegal cable drop or splice from an apartment or home adjacent to the commercial establishment premises who would purchase the broadcast at a residential price and divert the program to the commercial establishment and/or

D. The same initial actions being employed with respect to a "DSS Satellite Systems" or a "C-Band Satellite System."

These forms of satellite theft also involve the misrepresentation of a residential location, purchase of illegal unincryption devices, and/or the purchase of illegal satellite authorization codes which are readily available on the Internet and in various publications which are presently unregulated in the Nation of Canada.

10. To explain the history of Plaintiff's claim, your deponent submits that shortly after the advent of Pay-Per-View broadcasts, of which our company stands at the forefront, we began to experience a serious erosion of the sales to commercial establishments throughout the United States of America. Thereafter, we endeavored to find out what was the basis for the erosion. Much to our disappointment, we discovered that the root cause of the erosion of our customer base was the piracy of our broadcasts by unauthorized and unlicensed establishments.

11. Plaintiff has invested millions of dollars in the promotion of boxing broadcasts, and, with the increased frequency of signal piracy, our legal sales have eroded significantly.

12. In response, we embarked upon a program which was designed to identify and

prosecute the commercial establishments which stole our broadcasts.

13. Turning these facts to the matter before the Court, I have been advised by counsel that the Court has the discretion in the awarding of damages for these nefarious and illegal activities.

14. It is respectfully submitted to this honorable Court that the unchecked activity of signal piracy not only has resulted in my business being severely damaged, but also has a negative effect upon lawful residential and commercial customers of cable and satellite broadcasting whose costs are necessarily increased significantly by these illegal activities.

15. I believe that such acts of piracy have cost my company millions of dollars in the last few years, while at the same time causing a reduction in our lawful business resulting from the perceived lack of consequence for such unlawful interception.

16. I, therefore, humbly ask this Court to grant the maximum allowance for statutory damages due to the fact that such actions are *per se* intentional and do not and cannot occur without the willful and intentional modification of electronic equipment, the business misrepresentation of a commercial establishment as residential, or, the removal of cable traps and/or devices designed to prevent such unauthorized exhibits.

WHEREFORE, your deponent respectfully requests that this Court in its discretion grant judgment by default under 605(a) on COUNT I of the Plaintiff's complaint against the Defendants jointly and severally as follows:

Against ANA LUCIA BAQUERO Individually,

- 1) under 605(e)(3)(C)(i)(II) a sum *in the discretion of the Court*, of up to TEN THOUSAND DOLLARS (\$10,000.00)

- 2) and under 605(e)(3)(C)(ii) a sum *in the discretion of the Court*, of up to ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) for enhanced damages for Defendant's willful violation of 605(a)
- 3) and under 605(e)(3)(B)(I) *in the discretion of the Court*, full costs, reasonable attorney fees as set forth in the attorney affidavit.

Against, CARLOS EDUARDO ASITIMBAY, Individually

- 1) under 605(e)(3)(C)(i)(II) a sum *in the discretion of the Court*, of up to TEN THOUSAND DOLLARS (\$10,000.00)
- 2) and under 605(e)(3)(C)(ii) a sum *in the discretion of the Court*, of up to ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) for enhanced damages for Defendant's willful violation of 605(a)
- 3) and under 605(e)(3)(B)(I) *in the discretion of the Court*, full costs, reasonable attorney fees as set forth in the attorney affidavit

Against, EL TORERO REST., INC. d/b/a EL TORERO RESTAURANT a/k/a EL TORERO SPORTS BAR

- 1) under 605(e)(3)(C)(i)(II) a sum *in the discretion of the Court*, of up to TEN THOUSAND DOLLARS (\$10,000.00)
- 2) and under 605(e)(3)(C)(ii) a sum *in the discretion of the Court*, of up to ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) for enhanced damages for Defendant's willful violation of 605(a)
- 3) and under 605(e)(3)(B)(I) *in the discretion of the Court*, full costs, reasonable attorney fees as set forth in the attorney affidavit

Your sublicensees shall have no right to commence or settle any claim or litigation arising out of the alleged piracy of the telecast hereunder, and you shall not assign these anti-piracy rights to any other party, without the prior written consent, of Promoter. Exhibit C

PIRACY AFFIDAVIT

STATE OF :
: SS.:
COUNTY OF :

I, the undersigned, being duly sworn according to law, deposes and says, that on May 06, 2006, I entered the commercial establishment known as El Torero Sports Bar, located at 108 North Main Street Spring Valley, N.Y 10977 at approximately 11:38 pm. This establishment is described as a two story building with office(s) on top of the establishment. I did not observe a satellite dish on the premises.

I paid the sum of \$0 cover charge to enter the establishment. The doorperson is described as: A male Hispanic, approx 5'03", wearing a black T-shirt and blue jeans.

I did not order from the bartender, who is described as a female, possibly Hispanic, approx. 5'00", blonde hair and wearing a black and white shirt and white pants.

I observed 03 television sets, which are described as: A 19" TV set at the left side of the location, a large approx. 52 inch TV at the right side and another large TV (approx. 52 inch) at the rear

On the television sets, I observed start of the second round of the De La Hoya - Mayorga fight. De La Hoya is wearing dark trunks with "GABRIEL" in the back waistband and Mayorga is wearing black trunks and gloves. Both men are fighting in a blue ring with red ropes and a "Bacardi" logo is in the center of the ring floor.

I also observed the following Pay per View Logo on the screen: "HBO PPV" and "ICELINK" clock showing the time left in the 2nd round is shown in the lower right corner of the screen.

I was not able to see the cable box or the channel that the televisions were tuned to.

The inside of the can be described as follows: A typical licensed establishment that serves food and alcohol, with chairs and tables. The bar is on the far right side of the location, with tables throughout the center of the main area.

In my opinion, the approximate capacity of this establishment is 100 people. At the time I was in the establishment, I took three head counts. I counted approximately 50 people on the first count, 50 people on the second count, and 50 people on the third count.

Piracy Affidavit Page -2-

I left the establishment at approximately 11:45 pm.

I took two (2) pictures of the outside of the above described establishment on 05/13/06 and at approximately 04:40 pm, which are attached hereto and made a part hereof and are intended to substantiate and verify the location of my observations as described herein.

There was a parking lot adjacent to the establishment.
